### LEGAL ASSIST:

Our service is available 24/7, to get you the legal assistance you need. We'll arrange for a free, confidential, half-hour consultation with an attorney on most legal issues. Consultations are available over the phone or with an attorney in your area. If you need to retain the attorney beyond the consultation, a 25% discount is available for most services. We also offer a comprehensive library of legal articles and free legal forms available for download from our website.

### FINANCIAL ASSIST:

Our financial professionals provide free telephonic consultation on the financial topics that are important to you, including bankruptcy protection, budgeting, debt reduction, estate planning, home purchases, and long-term goal setting. Our counseling sessions have no time limitations, and are available without appointment during regular business hours, and by appointment at night and on weekends. Online resources include an assortment of financial calculators and access to PocketSmith, a budgeting and management tool.

### ID RECOVERY:

ID Recovery Specialists are available 24/7 to assess your risk level and then identify steps to resolve potential identity theft. All services are provided to you free of charge. This may include completing any necessary paperwork, reporting to the consumer credit agencies, and negotiating with creditors to repair debt history. Our Specialists will work with you to restore your financial identity to its pre-theft status. *Pre-registration via the EAP website will greatly reduce the amount of time needed to restore credit if ID theft has occurred.*
